

« Makéba »

Hmm... Makéba
Makéba ma che bella
Gotta gotta
Hmm... Makéba
Makes my body dance for you

X 2

Voix 1

I wanna hear your breath
Next to my soul

I wanna see you sing
I wanna see you fight

Of human rights

Voix 2

I wanna feel your breast
Without any rest

Cause you are the beauty
Of human rights

Refrain

Nobody can be the Mama Africa
You follow the beat that she's gonna
give you
I need a smile you can love
Make it go

of a thousand more

You follow the beat that she's gonna
give you

The sufferation
of a thousand more

Refrain (x 4)
