Intro 6 mes

Couplet 1

I like digging holes and
hiding things inside them,

When I'll grow old I hope
I won't forget to find them.

Cause I've got memories and
travel like Gipsies in the night.

Couplet 2

I built a home and wait for
someone to hear it down.

Ouh__ __ __

Ouh__ __ __

Then pack it up in boxes
head for the next time running.
'Cause I've got memories and
travel like Gipsies in the night.

Ah__ __ __ __
travel like Gipsies in the night.

Pré Refrain

And a thousand times I've seen this road,
A thousand times!

Ah Ah Ah Ah
Ah Ah__

REFRAIN

I've got no roots, but my home
was never on the ground !
