

Video Killed the radio star

The Buggles

(Soliste)

I heard you on the wireless back in fifty two
Lying awake intent at tuning in on you
If I was young it didn't stop you coming through

Ou wa ou ah

They took the credit for your second symphony
Rewritten by machine on new technology
And now I understand the problems you can see

Ou wa ou ah

I met your children

Ou wa ou ah

What did you tell them?

Video killed the radio star

Video killed the radio star

Pictures came and broke your heart

Ouh a-ha ouh

And now we meet in an abandoned studio
We hear the playback and it seems so long ago
And you remember the jingles used to go

Ou wa ou ah

You were the first one

Ou wa ou ah

You were the last one

Video killed the radio star

Video killed the radio star

In my mind and in my car,
we can't rewind we've gone to far

Ouh a-ha ouh

Ouh a-ha ouh

Passage instrumental

Video killed the radio star

Video killed the radio star

In my mind and in my car,
we can't rewind we've gone too far

Pictures came and broke your heart

Put down the blame on VCR

You are a radio star

You are a radio star

Video killed the radio star
